Ajahn Jayasaro
Thursday
November 10th

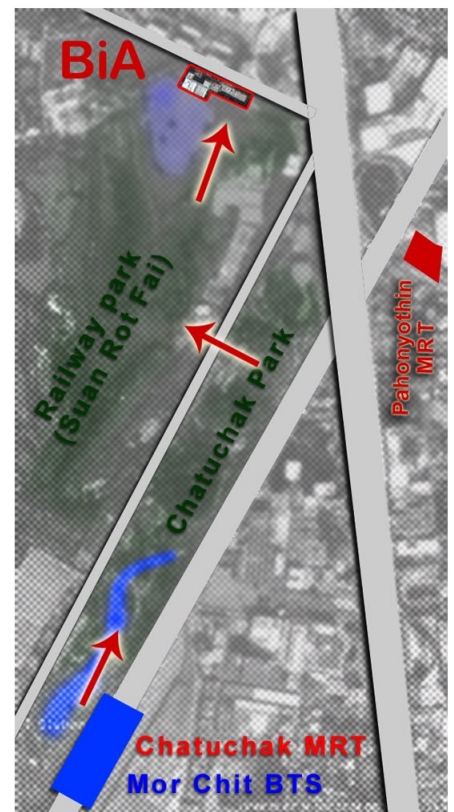

Thailand's most famous and respected Buddhist Monk, British-born Ajahn Jayasaro was formerly the abbot of the International Forest Monastery in N.E. Thailand, in the tradition of the revered Luang Phor Cha. These days he is mostly retired from public life, while working to finish a long-awaited biography of Ajahn Cha.

A rare chance to hear him teach in English!

Known as an incisive and inspiring speaker we are happy to be hosting him at the *Buddhadasa Indapanno Archives*.
